## Staying Connected During COVID-19

We have been keeping the parishioners of Church of St Anne in our prayers during this pandemic. I can't even imagine the difficulties you must be facing; balancing family, job, school and everything else that has been made more complicated by COVID-19. During this stress-filled time, I want you to know that our parish continues to care for the spiritual and material needs of our Faith Community.

Once our church building was closed in March with the "lock-down," we began to record Masses and post to our parish website. We conducted a parish phone outreach especially to the elderly and homebound. And, when we reopened our church for public services, we solicited volunteers to act as cleaning crews to sanitize the church and restrooms after each use.

Sadly, as you can imagine, the virus has greatly impacted every form of stewardship. If you are willing to give of your time and talent to help those in need, please look for our ministry listings and contact us to volunteer. Even though we cannot gather as we normally would, this may be an especially good time to consider a ministry in our parish so that when we do begin to gather, you will have an idea of how you want to serve our community of faith.

Additionally, as you might imagine, your continued financial support during this difficult time will help our parish to maintain and to continue God's work. And so, with great sensitivity to whatever your circumstances might be, I humbly ask, if you are able, that you consider an increase in your weekly or monthly offertory. We are all called to share our gifts in gratitude for what we have received and as disciples of Jesus Christ. You can make that commitment online or by sending those donations directly to the parish via U.S. Mail or by visiting our website ([www.stannerostraver.org](http://www.stannerostraver.org)) for online giving.

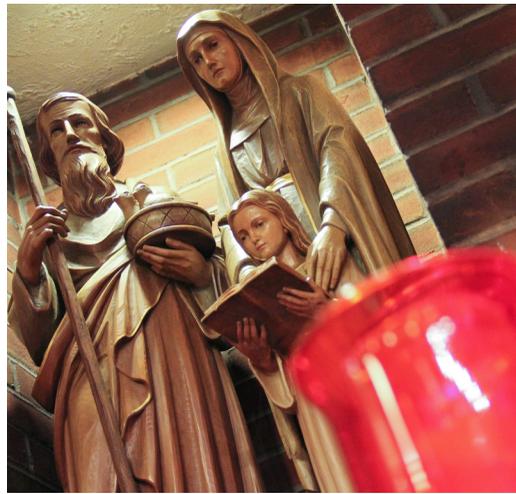

We also ask that you update your contact information online to help us stay connected with you. This is a very important part of stewardship. Visit [dioceseofgreensburg.org/StAnne](http://dioceseofgreensburg.org/StAnne) and complete the form.

# COVID-19 and its Impact on our Faith Community

Our Parish offertory remained strong due to the generosity of our parishioners – but was greatly assisted by online giving and your generosity with the Diocesan Lenten Appeal.

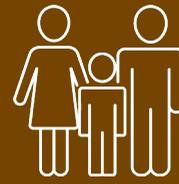

Our Parish, and particularly our societies, suffered from the loss of fundraising monies. Our annual spring ravioli dinner was cancelled, our summer parish picnic at Cedar Creek Park had to be cancelled, and our fall events are being reconsidered.

# Capital Improvements

Your contributions to Church of St Anne help to maintain the facility, making it the center of prayer in our community. Over the last three years, we completed many projects: repairs to, and remodeling of the parish hall and parish hall kitchen (as a result of the water and sewage-backup damage). This included sewer opening and cleaning, electrical conduit repairs, installation of new social hall floor planking, and electrical work in the kitchen. There also were repairs to the parish conference room (because of water damage), installation of French drain and sump pumps in parish hall and rectory basement (following water damage), stairwell repair from choir loft to hall, installation of new air conditioning unit for the church and an upgrade of lamps for the parish parking Lot.
